

STOP THE SOLAR DEVELOPMENT

Our Countryside Is Under Threat

IS THIS A VIEW WE WANT TO LOSE?

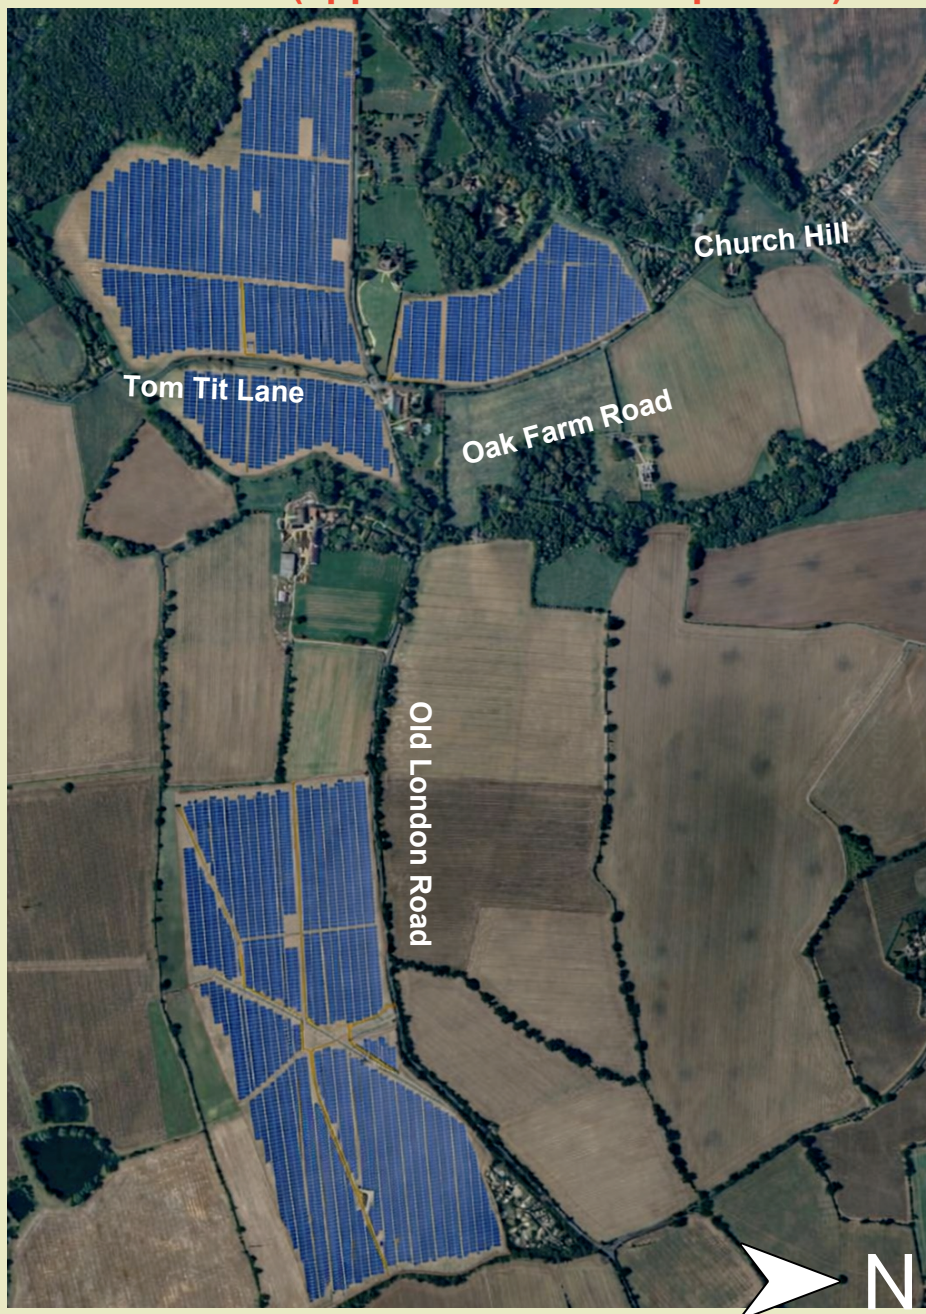

**Concerned about a
258 acre Solar
Development
in Woodham Walter?**
(The equivalent of ~148 World Cup football pitches)

**REGISTER with Woodham Walter Protection
Group to remain updated on the situation**

THE SCALE OF THE PROPOSAL

258 acres (approx. 148 football pitches)

Running alongside ~1.9 linear miles of historic country lanes including the ancient Old London Road

**LOSS OF VALUABLE
AGRICULTURAL LAND**

**DEVASTATING IMPACT
TO LOCAL ECOLOGY**

**LOSS OF COUNTRYSIDE
VIEWS**

**RENEWABLES SHOULD
BE IN THE RIGHT PLACES**

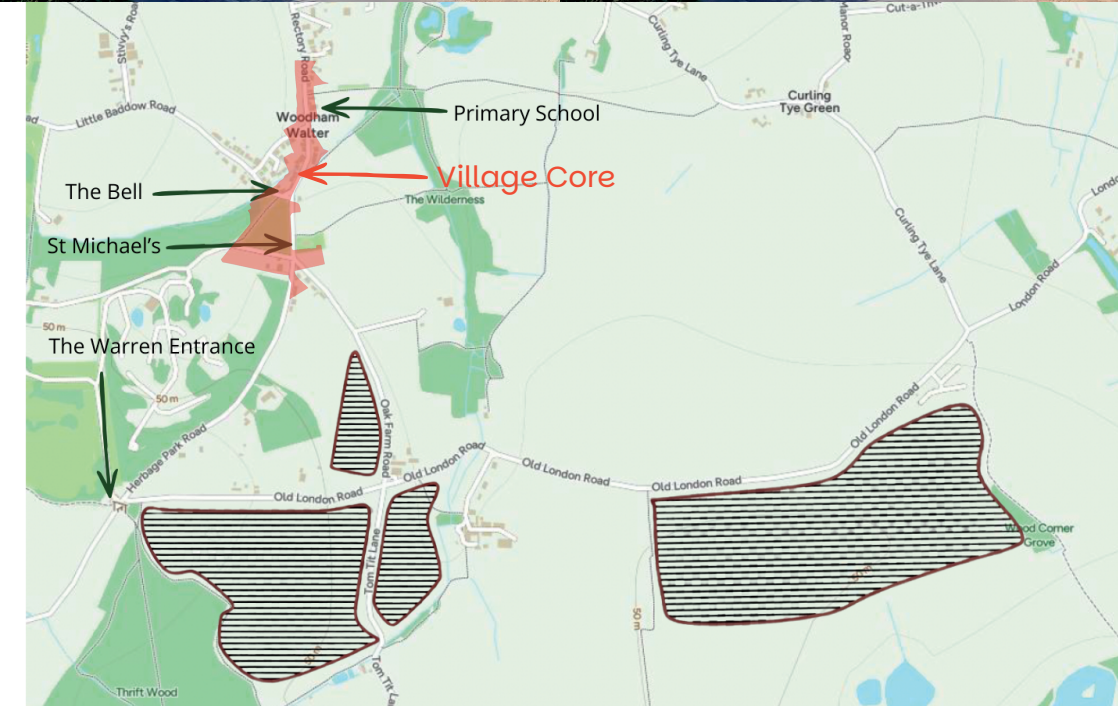

What happens next and how you can help

- Register on our website to stay up to date on campaign progress
- A crowdfunding campaign will be launched to support further work
- All are encouraged to register their interest via the website to stay informed
- When a planning application is submitted, guidance will be provided on how to respond to MDC
- Timely and well-informed individual responses will be important - broad community participation is encouraged.

WWW.WOODHAMWALTERPROTECTION.GROUP

Important to note: Currently there is NO PLANNING APPLICATION so there is nothing to object to. This campaign group has been formed to ensure that should a planning application be submitted, we are ready to act.
